## 2011 Amenity Program

### **YOUR GUESTS – WHEN YOU ARE IN RESIDENCE (Accompanied)**

Your participation enables you to extend privileges to your personal guests who may be visiting you while you are in residence on the Resort. If you accompany them to the beach, pool, golf course, tennis courts, or restaurants, you may not need to set up a Resort account for them.

But, if they would like to enjoy Resort activities on their own, you must set them up with their own personal Resort access with the Membership Department at (808) 880-3209 or [mwelfeld@maunakearesort.net](mailto:mwelfeld@maunakearesort.net)
