

# MAUNA KEA RESORT

The golf staff at Mauna Kea Resort is proud to announce the creation of a repair shop at the Mauna Kea Pro Shop. The repair shop has the ability to re-grip, re-shaft, and modify golf clubs. We are also available to conduct custom club-fittings and execute special orders. We carry grips from the industry's top brands such as Golf Pride, Lamkin, and Winn Grips. Whether you need a new shaft for your Driver or a set of grips for your favorite irons, the repair shop has a solution for you! For any questions or inquiries feel free to contact the Mauna Kea Pro Shop at 882.5400 or by email: [rduncan@maunakearesort.net](mailto:rduncan@maunakearesort.net) We look forward to serving you and keeping your equipment in top shape!
